# EARTHY

Earthy colors are commonly associated with elements found in the natural environment, such as soil, rocks, trees, and foliage. In a broader sense, "earthy" can also describe qualities or characteristics that are down-to-earth, genuine, or rooted in simplicity and authenticity.

# NATURAL

Natural materials such as wood, marble, and fabric with soft textures and warm tones contribute to a cozy and inviting ambiance in furniture design.

# WARM

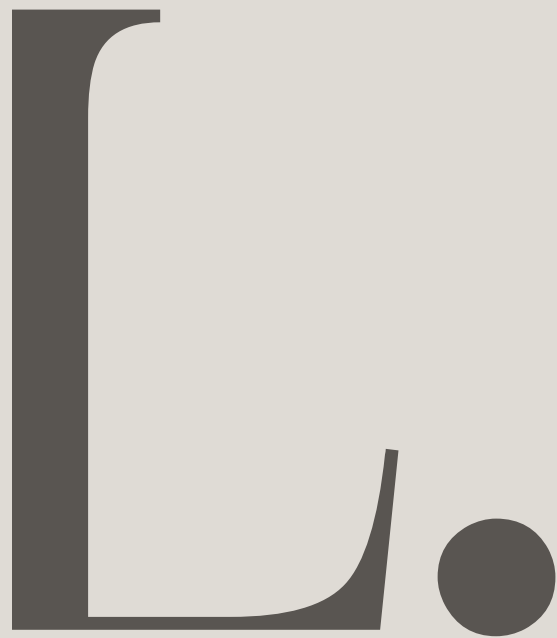

"Warm" refers to colors, tones, textures, or materials that evoke a sense of coziness, comfort, and intimacy. Warmth in furniture is about creating a welcoming and comfortable environment that encourages relaxation, connection, and enjoyment.

## LUMO COLLECTION

Create a space that radiates warmth, comfort, and effortless sophistication with the Lumo Collection. Each piece is meticulously designed to highlight the wood's inherent texture, while the gentle curves offer a harmonious contrast to the sharp edges.

● INHERENT WOOD GRAIN AND TEXTURE

The hallmark of the Lumo dining table is its gentle, rounded edges creating a sense of openness and flow within your home. The subtle curvature of the tabletop adds a refined touch, making it both inviting and functional. The smooth, soft-lined edges of the oak veneer frame provide a gentle, contemporary silhouette, while the marble top adds a touch of elegance and sophistication. The rich, natural grain of the oak contrasts beautifully with the cool surface of the marble, resulting in a harmonious balance of texture.

●WHERE WARMTH MEETS MODERN SOUL

Step  
into a space where design  
flows effortlessly—where the furniture  
doesn't just occupy a room but transforms it.  
Metropol stunning collection, featuring a sculptural  
dining table, warmth colored upholstered chairs brings  
together form, function, and feeling in perfect balance.  
The dining table, grounded in substantial, architectural  
legs, becomes a natural gathering point, sparking con-  
versation and togetherness. The chairs, both playful  
and sophisticated, offer ergonomic comfort  
that encourages lingering over meals  
and shared moments.

● MORE THAN DINING — IT'S A LIFESTYLE STATEMENT

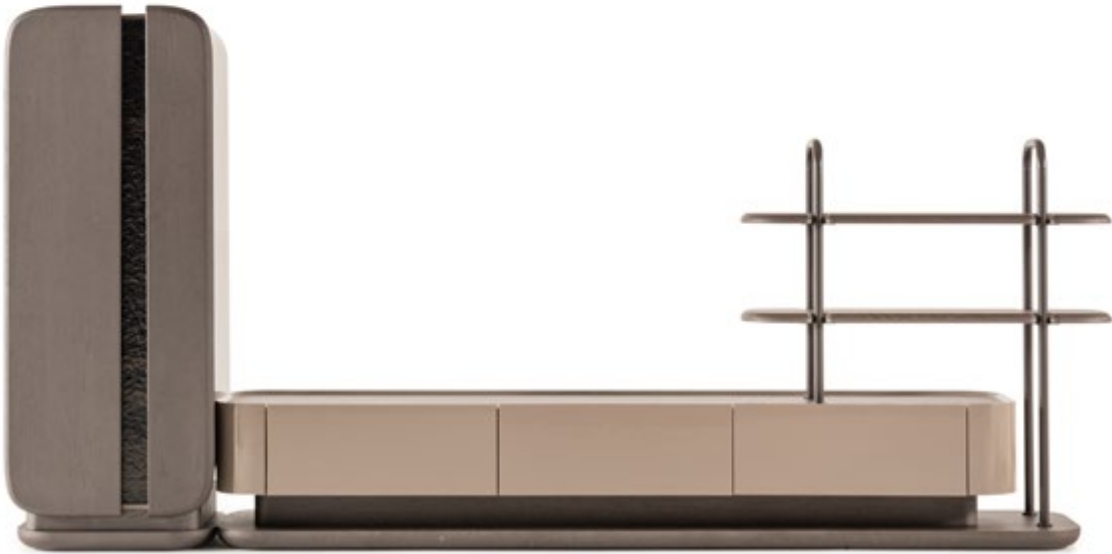

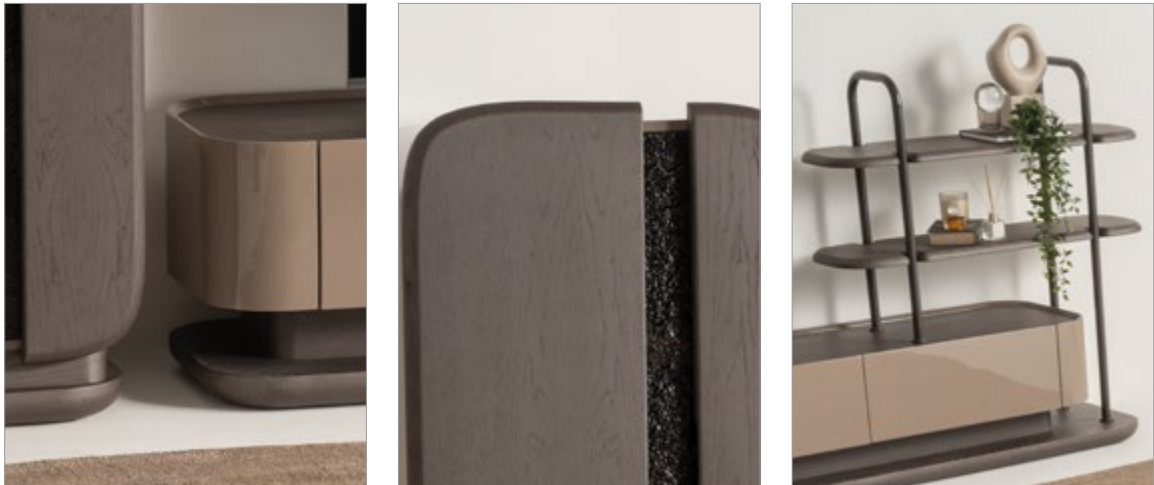

● VISUAL BREATH IN YOUR DAILY RHYTHM

El-

egantly composed

Metropol wall unit is more than just a media solutionis, its a refined anchor for your living space, blending intelligent storage with sculptural design. Crafted from high-quality wood with a matte, soft-touch finish, the unit pairs earthy taupe and deep mocha tones to create a warm, grounded aesthetic that soothes the senses. The open shelving unit completes the composition, adding vertical rhythm and a personal touch. Designed to display personal items, it invites users to infuse their own story into the space.

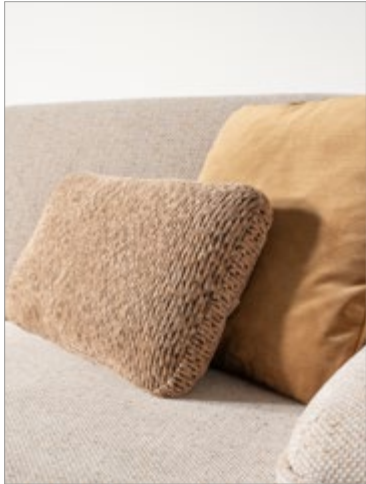

The minimalist sectional sofa set, low-slung and deeply cushioned, is a visual and emotional retreat. It whispers calm after a long day, creating a sanctuary for unwinding, reading, or quiet reflection. The accompanying sideboard and accent pieces complete the narrative—clean, soft forms with just the right touch of contrast and craftsmanship. This is furniture that feels as good as it looks. It doesn't just fill space—it fills life with ease, beauty, and emotional depth. The matching armchair continues the theme with similar fabric and wood detailing, offering cohesive design throughout the seating area.

Metropol  
corner set is a masterclass  
in modular design and adaptable ele-  
gance. Composed of individual segments that fit  
together with seamless precision, it offers maximum  
flexibility—whether you're hosting a lively gathering or  
settling in for a quiet evening. Its generous proportions  
ensure both visual balance and physical comfort, while the  
soft, textured upholstery in neutral tones invites relax-  
ation without overwhelming the space. In dialogue  
with the surrounding furniture, the corner set  
acts as a unifying core. It doesn't just fill a  
room; it completes it.

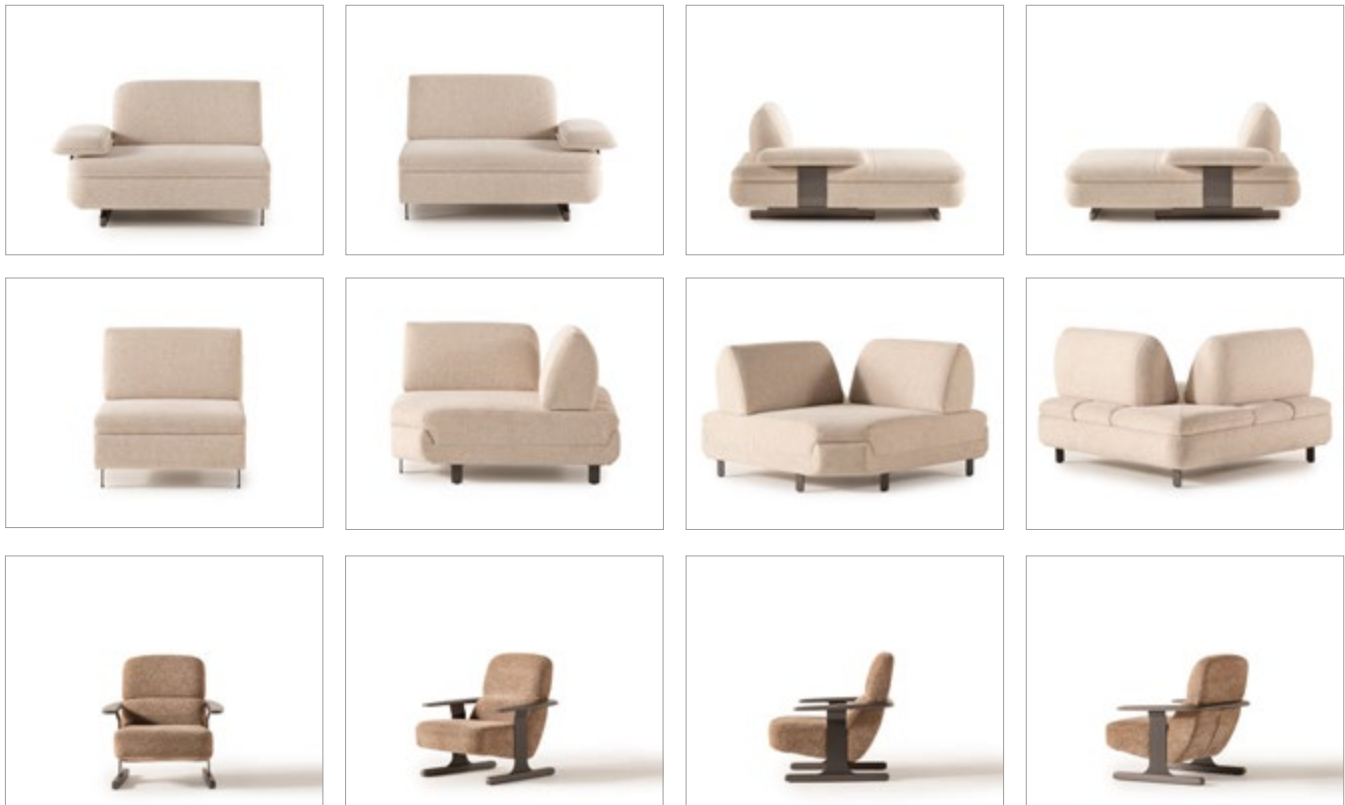

Functionally, Metropol corner set is a multitasker. It provides abundant seating while naturally defining the layout of the room, creating a clear yet cozy boundary between the lounge area and surrounding elements. Integrated armrests with subtle shelf-like extensions also enhance practicality, giving users a place to rest small items like books, remotes, or cups without the need for additional side tables. From a modular standpoint, this set can be rearranged to accommodate evolving needs.

INSPIRED BY NATURAL FORMS

The Moon is an example of a well-designed sofa reduced to essential solutions. A volatile shape, the unconventional appearance, the soft lines: a well-proportioned and simultaneously slightly offbeat item of furniture, whose distinctive feature is the sassy chic. Unlike traditional boxy designs, the sofa set features curved lines and organic shapes inspired by natural forms. These gentle curves create a sense of comfort and relaxation, inviting you to unwind in style.
